Wang Xiaodong

General Manager, Wang Xiaodong

Surveillance after the initial certification shall be conducted within 12 months from the date of issuance of the certificate. Thereafter, surveillance audits shall be conducted at least once every calendar year (except the year of recertification), and the interval between the surveillance audits shall not exceed 15 months. The certification organization must conduct surveillance audit regularly and the registration certificate shall be renewed every year. The compliance label will be issued after the surveillance audit.

The first surveillance audit shall be conducted within 12 months from the date of issuance of the certificate. Thereafter, surveillance audits shall be conducted at least once every calendar year (except the year of recertification), and the interval between the surveillance audits shall not exceed 15 months. The certification organization must conduct surveillance audit regularly and the registration certificate shall be renewed every year. The compliance label will be issued after the surveillance audit.
